Passage of working channels [Fr.]

Ureteroscope	Attachment one-way WA00395A/ A0395
WA29048A/-B, WA29049A/-B.....	3.5

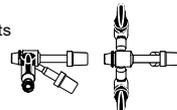

Delivery includes: Telescope, attachment,
instrument tray, sealing caps

Attachments with Self-Sealing Caps

WA00395A Attachment,
one-way,
with two irrigation ports

WA00396A Attachment,
two-way,
with two irrigation ports

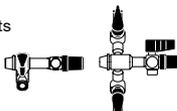

WA00387A Sealing cap,
0.7 mm, transparent,
10 pcs.,
sterile, single use

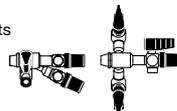

Attachments with Stopcocks

A0395 Attachment,
one-way,
with two irrigation ports

A0396 Attachment,
two-way,
with two irrigation ports

A0387 Sealing cap,
0.7 mm,
10 pcs.,
black

A0286 Sealing cap,
0.4 mm,
kink protection,
black

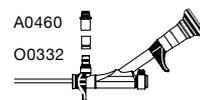

Light-Guide Cable and Adapter

WA03200A Light-guide cable,
size S,
plug-type,
3 m

A0460 Light-guide adapter,
for OES 4000 light-guide cables
O0332 for Wolf light-guide cables

Instrument Tray

A5961 Instrument tray,
for ureteroscope and light-guide cable
